Careers Education at Wordsley

We started our monthly **Careers & Croissants** mornings again on Monday 25th September where all year groups were invited to attend a session during morning registration in the library, that gives them the experience of meeting with an employer from different work sectors. All pupils need to do to be included in this excellent opportunity is to sign up on the noticeboard in the English Department.

Today, pupils had a wonderful session with Mr Yates, a local electrician, where they had the opportunity to ask a plethora of questions. We thank Mr Yates for his time!

The next opportunities are:

27/11/23 - Mrs Young - Pharmacy in the Royal Navy

11/12/23 - Mr Anderson - Solicitor
