

The Wordsley School
Examination, Intervention & Booster Timetable
Summer 2024

Instructions:

1. Please look carefully at the timetable and at the details of the subjects for each day. If that subject does not apply to you (ie. you are not sitting that particular exam) go down to the next subject, and so on.
2. You are expected to attend all pre-exam booster sessions (blue boxes) that apply to you. Where there is more than one revision subject timetabled per session, you are expected to prioritise.
3. **You are expected to attend all normal timetabled lessons.**
4. The time in the PM registration box is the time you should assemble in the dining hall for the start of your exam. You should be in school at least 10 minutes prior to this unless you have a pre-exam booster.
5. Use the details to plan your revision using the ideas and methods that you have been shown.
6. If there is anything on the timetable that you don't understand make sure that you ask Mrs Millichamp for help.
