"Excellent Attendance: A New Benchmark for Wordsley School"

This fantastic achievement is down to the incredible support and commitment from both our **pupils** and **parents/carers**. High attendance directly contributes to the significant progress and success we're seeing across the school. Thank you for ensuring your child is here every day, ready to learn. Your support makes all the difference!

Keeping the Momentum Going: The Value of Every School Day

We're thrilled with our pupils' attendance Monday-Thursday! To make sure that fantastic effort pays off, we need your support for two key areas:

- **Friday Attendance:** Don't let the momentum drop! Every Friday lesson is vital for consistent learning. **Please prioritize full attendance right through to the end of the week.**
- **Lesson Punctuality:** Being on time for every lesson means your child doesn't miss key instructions.

5-Day Commitment: Let's Finish the Week Strong! 🌟

Appointments: Parents, thank you for trying to book appointments outside school hours—it makes a huge difference!

Monitor your Child's Attendance

You can monitor your child's vital attendance data, including their punctuality, by checking ClassCharts.

This platform gives you key insights into their classroom effort and consistency.

If you need your login details, please contact the school reception.
