

WORK EXPERIENCE 29 JUNE 2026 - 3 JULY 2026

Dear Parent/Carer

As you will be aware, Year 10 pupils will begin their Work Experience as of Monday 29th June to Friday 3rd July 2026. As we approach this date, we think it's important that students are as prepared as they can be for their placement and so therefore, we ask that students take some time to make a pre-placement visit to their place of work prior to starting in June. We find that this allows students to ask any questions they may have, as well as practise the logistics of their journey to and from the placement.

Students will be expected to contact and arrange a pre-visit to their placement on Friday 5th June. Year 10 pupils will leave school at 13.10pm on that date to be able to visit their placements to meet supervisors, arrange working/break times, dress standards etc. It is important that they confirm an appointment time with the company before attending.

Students that do not have placement details confirmed on Unifrog by this date will not sign out of school and will attend lessons as normal.

If you have any questions regarding this, please do not hesitate to contact myself or Ms Willetts to discuss any queries.

Yours Sincerely

Miss R Shaw
