ATTENDANCE

Builds Bright Futures

Every Day Counts!

A huge well done to all of our students and families for a fantastic first week back!

Your support in getting your child to school makes a real difference. Let's keep this momentum going and make sure every day counts as we build strong habits for a successful year ahead.

Good attendance builds confidence, progress and opportunity.

HABIT BUILDING

SMALL STEPS • BIG IMPACT

ROUTINE

Getting to school on time helps build positive routines that last a lifetime.

FOCUS

Regular attendance helps your child stay engaged, learn and progress.

CONFIDENCE

Being part of the school community boosts self-esteem and wellbeing.

FRIENDSHIPS

Every day in school helps your child maintain friendships and feel connected.

BRIGHTER FUTURES

Good attendance opens doors to more opportunities, choices and success.

We're Here to Help

If your child has minor aches and pains, we can support them at school so they don't miss out.

Our first aid team is on hand, and we'll always try to help your child feel comfortable and ready to learn.

If they're unwell in the morning...

...try and make it for the afternoon if they're feeling better. Even a half day can make a big difference.

Better late than not at all!

Your Support Matters

- ✓ Encourage good routines and bedtimes
- ✓ Keep in touch if you're concerned
- ✓ Let us know if there's anything we can do
- ✓ Work together — we're here for you

Same team • Same goals • A brighter future
