

23rd September 2026

Dear Parent/Carer

Year 10 work experience is during the week of 5th July 2027 - 9th July 2027. During this period there will be no classes, each day all students will be at the workplace of their host employer. To ensure that students who are attending the History visit to the Battlefields (5th - 8th July) don't miss out on work experience, they will be allowed to undertake their placements during the following week, Mon 12th July - 16th July 2027, should they wish to.

Work experience gives students the chance to learn about what type of job they might enjoy, and develop their CV. We know it can be one of the most transformational experiences young people have during their education.

Students (and their families) should source their own work experience placements. The careers department will do their best to provide information on placements for any students who have been unable to find their own, but because we have limited resources, we expect to only be able to help a few students. We would also like to mention at this point that students will only be able to attend a placement that has Employer Liability Insurance.

We are using Unifrog (www.unifrog.org) to manage the administration of the work experience programme - for example collecting information from the employer about their Risk Assessment and Health & Safety policy, as well as getting consent from yourselves for the placement to go ahead.

Some important logistics you will need to know:

Students need to agree the placement with the employer first, then students will get the ball rolling by adding the placement to their Unifrog account (they'll find the Placements tool on their Unifrog homepage).

The Unifrog system will then email the employer, the parent/carers, and the school to collect the necessary information and permissions. For the process to work, **it is essential that students add the initial information about the placement accurately, especially the employers and parent/carers email address.**

Finding out more:

Unifrog Log-in: <https://www.unifrog.org>.

There is also a short clip explaining the administration process on our school website:

<https://www.wordsleyschool.co.uk/curriculum/careers/yr10careers/>

Also we recommend looking at: [How to help your child find a work placement : Unifrog Placement Guides](#)

Next steps:

Please read the placement guides on Unifrog, and then start contacting possible hosts for the placement as soon as possible.

If you have any questions, contact Miss Shaw, Careers Co-ordinator or Ms Willetts, WEX support, Careers Hub.

We wish you the best of luck with supporting your child to find a placement. Please do make use of the Unifrog guides to help you.

Kind Regards

Miss R Shaw
