

Dear Parents/Guardians of Year 8 Pupils,

I am writing to formally invite you to our upcoming Year 8 Curriculum Information Evening, which will take place on Tuesday 15th September at 5 o'clock in the school hall.

The purpose of this evening is to provide you with key information about your child's educational journey through Year 8 and to ensure a smooth and successful academic year for every pupil.

Throughout the evening, you will have the opportunity to:

- **Meet the Year 8 Head of Year team:** Our team will introduce themselves and outline their role in supporting your child's academic and personal development, and will explain the comprehensive pastoral care system available to all pupils, ensuring they feel supported and safe throughout the year.
- **Learn about school expectations:** We will share our high expectations for academic progress, behavior, and attendance, which are crucial for success.
- **Gain subject-specific insights:** Subject leaders will be available to discuss the curriculum for Year 8, outlining what your child will be learning and how you can support them at home.
- **Discover extra-curricular opportunities:** We will provide an overview of the wide range of clubs, societies, and activities available to pupils, highlighting the benefits of participation.

This event is a valuable opportunity for us to partner with you in your child's education. We encourage you to attend to gain a clear understanding of the academic and pastoral framework that will guide your child through the year.

We look forward to seeing you there.

Yours sincerely,

Mr. T. Brain
